

## **IMV 2025 ULTRASOUND MARKET OUTLOOK REPORT**

### **Table of Contents**

<b>I. Background and Objectives .....</b>	<b>4</b>
<b>II. Executive Summary .....</b>	<b>7</b>
<b>III. Findings .....</b>	<b>12</b>
<b>A. Department Priorities &amp; Outlook: .....</b>	<b>12</b>
<b>B. Installed Base.....</b>	<b>34</b>
<b>C. Procedure Volumes .....</b>	<b>59</b>
<b>D. Purchase Plans .....</b>	<b>94</b>
<b>E. Site Operations .....</b>	<b>121</b>
<b>IV. Methodology .....</b>	<b>130</b>
<b>V. Appendix.....</b>	<b>139</b>
<b>VI. About IMV .....</b>	<b>160</b>

## IMV 2025 ULTRASOUND MARKET OUTLOOK REPORT

### Exhibits

<b>A. Department Priorities &amp; Outlook .....</b>	<b>12</b>
1. Department Priorities, When Managing Ultrasound Equipment, as of 2025 Survey .....	13
2. Priorities to the Mission of Ultrasound Department, 2020 to 2025 .....	14
3. Department Priorities, When Managing Ultrasound Equipment, by Hospital Bed Size, as of 2025 Survey .....	15
4. Department Priorities, When Managing Ultrasound Equipment, by Location Type, as of 2025 Survey ..	16
5. Department Priorities, When Managing Ultrasound Equipment, by Academic/ University Status, as of 2025 Survey .....	17
6. Factors Affecting the Future Outlook for Ultrasound at your Facility Over the Next Few Years, as of 2025 Survey .....	18
7. Factors Affecting the Future Outlook for Ultrasound, 2020 to 2025 .....	19
8. Factors Affecting the Future Outlook for Ultrasound at your Facility Over the Next Few Years, by Hospital Bed Size, as of 2025 Survey .....	20
9. Factors Affecting the Future Outlook for Ultrasound at your Facility Over the Next Few Years, by Location Type, as of 2025 Survey .....	21
10. Factors Affecting the Future Outlook for Ultrasound at your Facility Over the Next Few Years, by Academic Status, as of 2025 Survey .....	22
11. Most Important Technology Components, for Respondents Prioritizing Keeping Up to Date with State-of-the-art Ultrasound Technology, as of 2025 Survey .....	23
12. Planned Clinical Ultrasound Applications .....	24
13. Potential Uses of AI Currently in Use or Being Considered by Ultrasound Departments, as of 2025 Survey .....	25
14. Whether Facility Currently Utilizes Ultrasound for Procedural Guidance, as of 2025 Survey .....	26
15. Satisfaction with the Use of Handheld Ultrasound Systems at the Facility, as of 2025 Survey .....	27
16. Use of Ultrasound for Non-Traditional Uses, by Ultrasound Departments, as of 2025 Survey .....	28
17. 2025 Impact of AI on Ultrasound Department – Summary of Open-Ended Responses .....	29
18. 2026 Expected Impact of AI on Ultrasound Department – Summary of Open-Ended Responses .....	30
19. Most Common Ultrasound-Guided Procedure Types – Summary of Open-Ended Responses .....	31
20. Perceptions Regarding Image-Guided Ultrasound – Summary of Open-Ended Responses .....	32
21. Ultrasound Equipment Product Suggestions – Summary of Open-Ended Responses .....	33
<b>B. Installed Base .....</b>	<b>34</b>
1. Distribution of Sites Having at Least One Conventional Cart-Based, Laptop/Tablet, or Handheld Ultrasound Unit, by Hospital Bed Size, as of 2025 Survey .....	35
2. Distribution of Sites Having at Least One Conventional Cart-Based, Laptop/Tablet, or Handheld Ultrasound Unit, by Hospital Bed Size, 2022 to 2025 Survey .....	36
3. Distribution of Sites Having One, Two, or All Three Ultrasound Equipment Types, by Hospital Bed Size, as of 2025 Survey .....	37
4. Distribution of Sites Having One, Two, or All Three Ultrasound Equipment Types, by Equipment Type, as of 2025 Survey .....	37
5. Total Number of Hospitals and Ultrasound Units Owned/Managed by Radiology/Imaging for Use in Their Hospital and Associated Outpatient Locations, by Hospital Bed Size, as of 2025 Survey .....	38
6. Distribution Ultrasound Sites and Units, by Hospital Bed Size, as of 2025 Survey .....	38
7. Ultrasound Equipment Types Owned/Managed by Radiology/Imaging for Use in Their Hospital and Associated Outpatient Locations, as of 2025 Survey .....	39
8. Ultrasound Equipment Types Owned/Managed by Radiology/Imaging for Use in Their Hospital and Associated Outpatient Locations, by Hospital Bed Size, as of 2025 Survey .....	39
9. Number of Ultrasound Units, by Equipment Type and Hospital Bed Size, as of 2025 Survey .....	40

10. Distribution of Ultrasound Units, by Equipment Type and Hospital Bed Size, as of 2025 Survey .....	40
11. Hospital Departments and Associated Locations Routinely Using Ultrasound Units, by Equipment Type, as of 2025 Survey.....	41
12. Manufacturer Presence at Sites Having Ultrasound Units, by Equipment Type, as of 2025 Survey .....	42
13. Ultrasound Unit Installed Base Share, by Equipment Type, as of 2025 Survey .....	43
14. Distribution of Ultrasound Units, by Equipment Type and Acquisition Year, as of 2025 Survey.....	44
15. Distribution of Ultrasound Units, Acquisition Year, as of 2025 Survey .....	45
16. Ultrasound Installed Base Share, by Department/Care Area and Equipment Type, as of 2025 Survey....	46
17. Conventional Cart-Based Ultrasound Installed Base Share, by Department/Care Area, as of 2025 Survey .....	47
18. Laptop/Tablet Ultrasound Installed Base Share, by Department/Care Area, as of 2025 Survey .....	48
19. Handheld Ultrasound Installed Base Share, by Department/Care Area, as of 2025 Survey .....	49
20. Total Number of Hospitals and Conventional Cart-Based Ultrasound Units Owned/Managed By Radiology/Imaging for Use in their Hospital and Associated Outpatient Locations, by Hospital Bed Size, as of 2025 Survey .....	50
21. Distribution of Conventional Cart-Based Ultrasound Sites and Units, by Hospital Bed Size, as of 2025 Survey .....	50
22. Distribution of Hospitals, by Number of Conventional Cart-Based Ultrasound Units, by Hospital Bed Size, as of 2025 Survey .....	51
23. Hospital Departments and Associated Locations Routinely Using Conventional Cart-Based Ultrasound Units, by Hospital Bed Size, as of 2025 Survey.....	52
24. Total Number of Hospitals and Laptop/Tablet Ultrasound Units, by Hospital Bed Size, as of 2025 Survey .....	53
25. Distribution of Laptop/Tablet Sites and Units, by Hospital Bed Size, as of 2025 Survey .....	53
26. Distribution of Hospitals, by Number of Laptop/Tablet Ultrasound Units, by Hospital Bed Size, as of 2025 Survey .....	54
27. Total Number of Hospitals and Handheld Ultrasound Units, by Hospital Bed Size, as of 2025 Survey ..	55
28. Distribution of Handheld Ultrasound Sites and Units, by Hospital Bed Size, as of 2025 Survey.....	55
29. Distribution of Hospitals, by Number of Handheld Ultrasound Units, by Hospital Bed Size, as of 2025 Survey .....	56
30. Hospital Departments Routinely Using Handheld Ultrasound Units, by Hospital Bed Size, as of 2025 Survey .....	57
31. Distribution of Sites, by Number of Handheld Ultrasound Units, as of 2025 Survey.....	58

## **C. Procedure Volumes ..... 59**

1. Total Number of Ultrasound Patient Exams Performed, 2019 to 2024, by Equipment Type.....	60
2. Distribution of 2024 Ultrasound Patient Exams Performed and Sites Performing, by Hospital Bed Size, as of 2025 Survey .....	61
3. Distribution of Sites, by Number of Ultrasound Exams Performed in 2024 Using Ultrasound Equipment, by Hospital Bed Size, as of 2025 Survey.....	62
4. Distribution of Sites, by Number of Ultrasound Exams Performed in 2024 Using Ultrasound Equipment, by Location Type, as of 2025 Survey .....	63
5. Average 2024 Ultrasound Patient Exams per Hospital Performing, by Equipment Type, by Hospital Bed Size, as of 2025 Survey.....	64
6. Percent Distribution of 2024 Ultrasound Patient Exams, by Care Area/Department, by Hospital Bed Size, as of 2025 Survey .....	65
7. Percent Distribution of 2024 Ultrasound Patient Exams, by Care Area/Department and Equipment Type, as of 2025 Survey.....	66
8. Percent Distribution of 2024 Ultrasound Patient Exams, by Care Area/Department, by Hospital Bed Size, as of 2025 Survey .....	67
9. Percent Distribution of 2024 Ultrasound Patient Exams, by Procedure Type, by Hospital Bed Size, as of 2025 Survey .....	68
10. 2024 Mix of Inpatient vs. Outpatient vs. Emergency Ultrasound Exams, by Hospital Bed Size, as of 2025 Survey .....	69

11. Percentage of Total 2024 Adult vs. Pediatric Ultrasound Exams, by Hospital Bed Size, as of 2025 Survey .....	70
12. Percentage of Total 2024 Ultrasound Exams Performed on Obese Patients, by Hospital Bed Size, as of 2025 Survey .....	71
13. Average 2024 Adult vs. Pediatric Ultrasound Exams per Site Performing, by Hospital Bed Size, as of 2025 Survey .....	72
14. Average 2024 Adult vs. Pediatric Ultrasound Exams per Department Performing, by Care Area/Department, as of 2024 Survey .....	73
15. Average 2024 Adult vs. Pediatric Ultrasound Exams per Site Performing, by Hospital Bed Size, as of 2025 Survey .....	74
16. Percentage of Total 2024 Ultrasound Exams Performed on Obese Patients, by Care Area/Department, as of 2025 Survey .....	75
17. 2024 Mix of Inpatient, Outpatient, and Emergency Ultrasound Exams by Care Area/Department, as of 2025 Survey .....	76
18. Total 2024 Patient Exam Mix, by Ultrasound Equipment Type, as of 2025 Survey .....	77
19. Percentage of Total 2024 Adult vs. Pediatric Ultrasound Exams Performed, as of 2025 Survey .....	78
20. Average 2024 Obese vs. Non-Obese Ultrasound Exams per Department Performing, by Care Area/Department, as of 2025 Survey .....	79
21. Average 2024 Inpatient, Outpatient, and Emergency Ultrasound Exams per Site Performing, by Hospital Bed Size, as of 2025 Survey .....	80
22. Average 2024 Inpatient, Outpatient, and Emergency Ultrasound Exams per Department Performing, by Care Area/Department, as of 2025 Survey .....	81
23. 2024 Mix of Inpatient, Outpatient, and Emergency Ultrasound Exams, as of 2025 Survey .....	82
24. Average 2024 Ultrasound Exams per Department Performing, by Equipment Type, by Care Area/Department, as of 2025 Survey .....	83
25. Percentage of Total 2024 Ultrasound Exams Performed on Obese Patients, as of 2025 Survey .....	84
26. Average 2024 Adult vs. Pediatric Ultrasound Exams per Site Performing, by Hospital Bed Size, as of 2025 Survey .....	85
27. Total Number of Ultrasound Patient Exams Performed, 2019 to 2024, by Equipment Type .....	86
28. Ultrasound Patient Exam Types Likely to Increase in Patient Exam in 2025 compared to 2024, by Hospital Bed Size .....	87
29. Percent of Sites Performing Specific Ultrasound Procedure Types, by Care Area/Department, as of 2025 Survey .....	88
30. Percent of Sites Performing Specific Ultrasound Procedure Types, in OB/Gyn Care Area/Department, as of 2025 Survey .....	89
31. Percent of Sites Performing Specific Ultrasound Procedure Types, in Cardiology Care Area/Department, as of 2025 Survey .....	90
32. Percent of Sites Performing Specific Ultrasound Procedure Types, in Emergency Room, as of 2025 Survey .....	91
33. Percent of Sites Performing Specific Ultrasound Procedure Types, in Point of Care Areas, as of 2025 Survey .....	92
34. Percent of Sites Performing Specific Ultrasound Procedure Types, in Radiology Care Area/Department, as of 2025 Survey .....	93
<b>D. Purchase Plans .....</b>	<b>94</b>
1. Plans to Acquire Ultrasound Equipment from 2025-2027, by Hospital Bed Size, as of 2025 Survey .....	95
2. Plans to Acquire Ultrasound Equipment from 2025-2027, by Location Type, as of 2022 Survey .....	95
3. Plans to Acquire Ultrasound Equipment in the Next 3 Years, by Hospital Bed Size, 2023 vs. 2025 Survey .....	96
4. Plans to Acquire One, Two, or Three Ultrasound Equipment Types from 2025-2027, by Hospital Bed Size, as of 2025 Survey .....	97
5. Plans to Acquire One, Two, or Three Ultrasound Equipment Types from 2025-2027, by Location Type, as of 2025 Survey .....	97
6. Plans to Acquire Ultrasound Equipment from 2025-2027, by Equipment Type, as of 2025 Survey .....	98

7. Distribution of Sites, by Number of Ultrasound Units Planned for Purchase from 2025-2027, by Equipment Type, as of 2025 Survey .....	98
8. Mix of Ultrasound Units Planned for Purchase from 2025-2027, by Equipment Type, by Hospital Bed Size, as of 2025 Survey .....	99
9. Percent Distribution of 2024 to 2027 Ultrasound Capital Equipment Budgets, as of 2025 Survey .....	100
10. Comparison of 2024 to 2027 Average Capital Equipment Budgets for Ultrasound, for Sites Having Budgets >\$0, by Hospital Bed Size, as of 2025 Survey .....	101
11. Comparison of 2024 to 2027 Total Capital Equipment Budgets for Ultrasound, by Hospital Bed Size, as of 2025 Survey .....	102
12. Plans for New vs. Refurbished/Used Ultrasound Equipment, from 2025 to 2027, by Equipment Type, as of 2025 Survey .....	103
13. Plans for Replacement, Additional, and First Time Placements of Ultrasound Equipment, by Equipment Type, as of 2025 Survey .....	104
14. Hospital Departments and Associated Locations Where Planned Ultrasound Units Will be Used Routinely, by Equipment Type, as of 2025 Survey.....	105
15. Departments/Care Areas for Planned Ultrasound Units, by Equipment Type, as of 2025 Survey .....	106
16. Manufacturers Being Considered for Next Conventional Cart-Based Ultrasound Equipment Purchase, By Department/Care Area, as of 2025 Survey .....	107
17. Manufacturers Being Considered for Next Laptop/Tablet Ultrasound Equipment Purchase, by Department/Care Area, as of 2025 Survey .....	108
18. Manufacturers Being Considered for Next Handheld Ultrasound Equipment Purchase, by Department/Care Area, as of 2025 Survey .....	109
19. Brand Loyalty-GE: Conventional Cart-Based Manufacturers Being Considered by GE Installed Base, as of 2025 Survey .....	110
20. Brand Loyalty-Philips: Conventional Cart-Based Manufacturers Being Considered by GE Installed Base, as of 2025 Survey .....	110
21. Brand Loyalty-Siemens: Conventional Cart-Based Manufacturers Being Considered by GE Installed Base, as of 2025 Survey .....	111
22. Brand Loyalty-Canon: Conventional Cart-Based Manufacturers Being Considered by GE Installed Base, as of 2025 Survey .....	111
23. Budgetary Status of Department Plans to Acquire Ultrasound Equipment from 2025-2027, by Equipment Type, as of 2025 Survey .....	112
24. Information Sources Used During Decision Process for Purchasing Ultrasound Equipment, as of 2025 Survey .....	113
25. Information Sources Used During Decision Process for Purchasing Ultrasound Equipment, by Hospital Bed Size, as of 2025 Survey .....	114
26. Information Sources Used During Decision Process for Purchasing Ultrasound Equipment, by Location Type, as of 2025 Survey.....	115
27. Interest Level for Using In-Person Contact vs. Virtual On-line Alternatives as Information Sources When Purchasing Ultrasound Equipment, as of 2025 Survey.....	116
28. Whether Decisions for Purchasing Ultrasound Equipment are Made at the Corporate HQ or the Individual Facility Level, by Hospital Bed Size, as of 2025 Survey.....	117
29. Whether Decisions for Purchasing Ultrasound Equipment are Made at the Corporate HQ or the Individual Facility Level, by Hospital Bed Size, 2022 vs. 2025 .....	118
30. Whether the Influence of Corporate HQ in Purchase Decisions for Ultrasound Equipment is Increasing, Staying the Same, or Decreasing in 2025, Compared to 2-3 Years Ago, by Hospital Bed Size, as of 2025 Survey .....	119
31. Whether Decisions for Purchasing Ultrasound Equipment are Usually Part of a Larger Ultrasound Purchase by Healthcare System or Made Just for the Hospital, by Hospital Bed Size, as of 2025 Survey.....	120

<b>E. Site Operations Characteristics .....</b>	<b>121</b>
1. 2025 Ultrasound Department Hospital Universe, by Hospital Bed Size .....	122
2. Hospital Ownership Type, as a Percentage of Hospital Sites in 2025 Ultrasound Hospital Universe, by Hospital Bed Size .....	122
3. Percentage of Hospitals that are Academic/University Hospitals in 2025 Ultrasound Hospital Universe, by Hospital Bed Size .....	122
4. Distribution of Hospital Universe with Ultrasound Equipment, by Location Type and Hospital Bed Size, as of 2025 Survey .....	123
5. Percent of Hospitals with Ultrasound Staff Types involved with Ultrasound, by Hospital Bed Size, as of 2025 Survey .....	124
6. Average FTE Staff per Site Having that Type, by Hospital Bed Size, as of 2025 Survey .....	124
7. Average 2024 Ultrasound Patient Exams per Sonographer FTE in Main Radiology Departments, by Hospital Bed Size, as of 2025 Survey .....	125
8. Average Annual Ultrasound Patient Exams per Sonographer FTE in Main Radiology Departments, by Hospital Bed Size, 2019 to 2024 .....	126
9. Distribution of Sites, by Total Radiologists Who Read Ultrasound Images for Department, by Hospital Bed Size, as of 2025 Survey .....	127
10. Operating Hours per Weekday in 2025 for Scheduled Ultrasound Patient Exams (Monday-Friday), by Hospital Bed Size, as of 2025 Survey .....	128
11. Weekly Operating Hours in 2025 for Scheduled Ultrasound Patient Exams (Saturday & Sunday), by Hospital Bed Size, as of 2025 Survey .....	128
12. Operating Hours per Weekday in 2025 for Ultrasound Patient Exams, Including Scheduled, Unscheduled, and On-Call (Monday-Friday), by Hospital Bed Size, as of 2025 Survey .....	129
13. Weekly Operating Hours in 2025 for Ultrasound Patient Exams, Including Scheduled, Unscheduled, and On-Call (Saturday & Sunday), as of 2025 Survey.....	129
<b>F. Methodology .....</b>	<b>130</b>
<b>G. Appendix .....</b>	<b>139</b>
<b>H. About IMV .....</b>	<b>160</b>
